

The MDR colloquium will take place once a month on Wednesdays at 16:00h Central European Time (CET). Each week two presenters will present their latest findings followed by discussion and questions. The schedule of the months September – December 2020 can be found below.

Date - time	Name presenter	Name moderator
9 September 16:00h	Aygun Zengin Bente de Kort	Madison Ainsworth
7 October 16:00h	Dylan Mostert Caroline Cheng	Martijn Kern
19 November	MDR Annual meeting (no colloquium this month)	
9 December 16:00h	Yonggang Zhang Jasper Foolen	Martina Viola

### Information for presenters and moderators:

- Moderator sends out the title of the presentation + short biography of the presenters 1 week before presentation is scheduled to [s.hermans.beijnsberger@tue.nl](mailto:s.hermans.beijnsberger@tue.nl)
- Each presentation will take 20 minutes followed by a 10 minutes discussion
- All MDR researchers are invited + ISAB members

We gratefully acknowledge the Gravitation Program "Materials Driven Regeneration", funded by the Netherlands Organization for Scientific Research (024.003.013).
